Jofemar J2000

Jofemar JF8

PLEASE NOTE:

- Prices include cleaning of the unit.
- Prices exclude VAT, service and call out fees.
- The software upgrade carries a 90 day warranty.
- The acceptance rate is guaranteed at 90%.
- Note and coin acceptance may vary as the Reserve Bank releases new batches.
- Courier charges will apply for all DIY services, if necessary.
- Note readers may not accept some notes as they wear and tear.
- We exchange/upgrade working Jofemar products only.
- Minimum duration for loan units is 30 days - depending on the workload / upgrade process.
- The prices are based on fully operational units which are subject to testing. Additional charges may apply for note readers and coinmechs that are not fully functional.
